January Minutes

Consumption Draft

Tribal Land Acknowledgement

“I would like to begin by acknowledging that we gather today on the ancestral homelands of the Coast Salish Peoples, who have lived in the Salish Sea basin, throughout the San Juan Islands and the North Cascades watershed, from time immemorial. Please join me in expressing our deepest respect and gratitude for our indigenous neighbors, the Lummi Nation and Nooksack Tribe, for their enduring care and protection of our shared lands and waterways.”

Recommendations for other interviewees

SMEs are recommending other people to interview. How should we address those recommendations, especially if they are outside of our sectors?

Review of Consumption Section

Distribution and Natural Resources
