

The following contractors have met the minimum certification requirements to perform work on onsite sewage systems (OSS) in Whatcom County. Please be aware that some OSS have certain proprietary equipment or devices that, according to the manufacturer or distributor, require specialized training from the manufacturer or distributor above and beyond the minimum certification requirements of Whatcom County Health Department. This list is not an endorsement of the named service provider; nor does this list provide a warranty or assurance of quality. It is recommended that you contact more than one contractor for bids.
