Whatcom County does not license water treatment system design professionals. This listing is for your convenience only. Whatcom County does not endorse or recommend any individual nor does this list provide warranty or assurance of quality. It is recommended that you contact more than one contractor for bids.

You can also check the Washington State Department of Licensing website at:

<https://fortress.wa.gov/dol/dolprod/bpdLicenseQuery/> to see if an engineer's license is listed as active or to search for other licensed professionals. If the license is inactive at any time during the water availability process, it could stop or impede review of your application.

Please contact Whatcom County Health Department if you would like to be added to this list or would like to see the qualifications of anyone on this list.
