

Please join us for a **Community Workshop**

to discuss the

South Fork Nooksack River, Fish Camp (Ts'eq) Reach*

INTEGRATED DESIGN PROJECT

Date: Thursday, June 27th

Time: 5pm – 7pm

Location: Acme Presbyterian Church

2054 Valley Hwy, Deming, WA 98244

- The purpose of this project is to develop and evaluate project concept alternatives that will result in a preliminary design for a project that reduces flood risks around the town of Acme and restore habitat for Chinook salmon in the Fish Camp (Ts'eq) Reach* of the South Fork Nooksack River.
- At this community workshop, the project team will provide updates on existing river and flood conditions, identify/address concerns, and gather ideas and input from community members.

**upstream of Acme, River Miles 9.0-9.6*

More information about the project, as well as additional community engagement opportunities, can be found at the project webpage: <http://whatcomcounty.us/3106>
