

Protect one another from COVID-19

Wear a face covering and keep 6 feet apart from others in public settings.

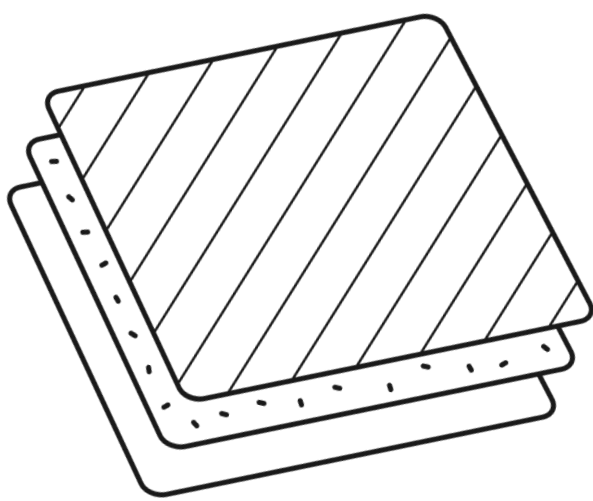

Find the Right Fit

Fit coverings snugly but comfortably against the side of the face.

Remove Correctly

Use the ties or ear loops to take your mask on and off.

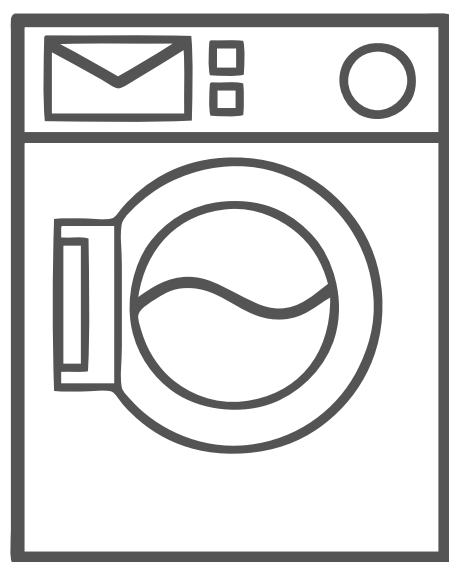

Layer Up

Face coverings should have multiple layers of fabric.

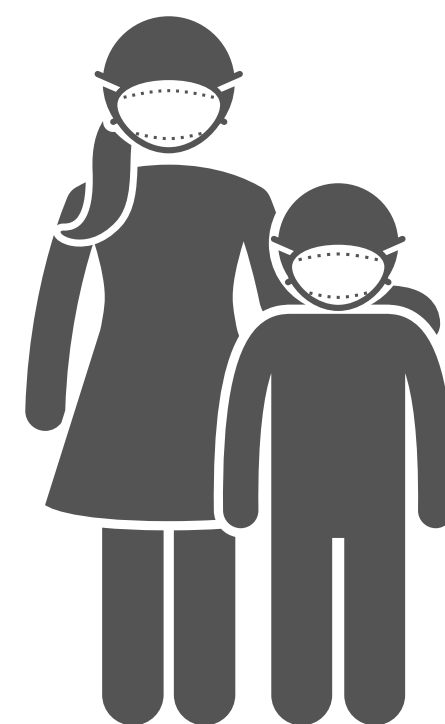

Ensure Breathability

Make sure you can breathe while wearing the face covering

Wash Regularly

Wash and dry cloth face coverings daily.

Cloth Face Coverings & Kids

Children should only wear cloth face coverings with adult supervision.
