

Swift Creek
Sediment Management Action Plan (SCSMAP)
And SCSMAP Phase 1 Project Plan
Final Environmental Impact Statement

Appendix C

Whatcom County Health Department Note to File

April 9, 2013

NOTE TO FILE

From: Jeff Hegedus, Environmental Health Supervisor
To: Swift Creek EIS File
Re: Study of Swift Creek Chrysotile Asbestos Toxicity
Date: April 9, 2013

I received verbal comment from Mr. Scott Linneman at the Swift Creek draft EIS public hearing requesting that the Cyphert, et al. rat study referenced above be addressed in the Swift Creek SCSMAP Final EIS. I recommend that this study be addressed as requested in the Final EIS.
