PERSON CALLED	ADDRESS	PHONE NUMBER AND EXTENSION
Mr. C.E. Hightower	District Supt. @ Redmond, El Paso Gas Co.	TU 5 - 1294

SUMMARY OF CONVERSATION

1. I phoned Mr. Hightower to confirm the location of a gas line crossing Swift Creek.
me
2. Mr. Hightower informed that the 26-inch 800 p.s.i. main gas line to the Columbia River does pass under Swift Creek in the middle of Section 34, T. 40N, R E4. The line is buried an average of 30 inches below existing ground. He does not know the depth at Swift Creek. He said he would want one of his men on the site during the time we do any construction in the vicinity of the pipeline. He requested that we inform him by phone 2 days in advance of any construction, if possible.
3. I agreed that we would inform him of any construction as he requested.
