Hi Dena,

If we receive additional applications, we will bring them all forward for introduction on Feb 8th and set a deadline for all other applicants to submit before 10 am on Tuesday, February 15th. Council would then act on appointments at the Feb 22nd meeting.

Thanks, and let me know if you have any other questions.

Best,
Cathy

Dear Ms. Halka:

Thank you very much for the details you provided about Justice Project SAC applications. I appreciate your prompt response.

I have one further question, based on the information you provided. If there is currently no deadline, but the Council is considering the one application for appointment at the February 8th meeting, does that mean the Council will only consider that one applicant for one of the two vacancies and not allow other applications to be considered until after February 8?

Sincerely,

Dena Jensen

Hi Dena,

Thanks for your email. There is currently no deadline to apply for the SAC. There are currently two vacancies. The Council Office received one application, which will be considered for appointment at the February 8th meeting.

A deadline would be set once we receive an application for the one last remaining vacancy. At that time, an item would be scheduled for introduction on a council agenda, and the item would include details of a deadline (10 a.m. on Tuesday before the following Council meeting). Appointment would take place at the next council meeting after introduction.

Please let me know if you have any additional questions.

Best,

Cathy

Subject: Regarding a deadline for applications for the Justice Project Stakeholder Advisory Committee

Dear Stakeholder Advisory Committee:

I noticed that there are some vacancies for the Stakeholder Advisory Committee to the Justice Project that are listed on the [Current Vacancies page](#) on the Whatcom County website. I was not able to find a deadline listed for applications to be submitted on that webpage, either general for all vacancies unless otherwise noted, or one specific for the SAC vacancies.

Someone had said on social media that they understood the County Council would be selecting SAC members during their February 8, 2022 meeting.

If there is a deadline for SAC member applications, can you please have someone let me know what the deadline is? Also, can you please have someone note the deadline on the County's Current Vacancies page, so that other community members will be aware?

Sincerely,

Dena Jensen
